MANAGING COMMITTEE MEETING

JULY 8th 2022

Had a virtual Managing Committee meeting over Zoom at 4 pm to discuss the following points.

- Effect of Online learning of students.
- Orientation programmes for teachers.
- Covid precautions to be observed in the school.

The following committee members attended the meeting

S/no	Member Name	Designation	Attendance on Virtual meet

9	Dr.R G Nadadur	Educationist	Present

It was found by the teachers that the online learning was not very effective. Most of the students either remained absent or inattentive in the classes. Another drawback was that the children had more screen time making it addictive. Period of Bridge course was extended to make the basic concepts reach the students and help in the further learning.

Orientation programmes for teachers were proposed to enable and equip the teachers for better teaching learning process.

It was resolved to continue the usage of masks and sanitizers by students as well as staff.

The Member Secretary thanked all and concluded the meet.
